Child Safe Commitment Statement

Mannering Park Amateur Sailing Club (MPASC) has a zero-tolerance approach to any form of child abuse, and we are committed to ensuring that MPASC events are a safe and friendly environment for children and young people. It is imperative that children and young people who access our activities, programs, events, or services feel safe and supported.

We will ensure that child safety is embedded in our organisation's culture, reflected in our policies and procedures, and understood and practiced at all levels of our organization.

We commit to making sure that everyone involved with MPASC, from our Executive Committee to all members and volunteers, parents, and participants understand the important responsibilities they have in relation to child safety.

Our commitment extends beyond creating an environment that minimises risk and danger. We are committed to building an environment that is both child-safe and child-friendly.

Together we can provide an environment in which children feel respected, valued, and encouraged to reach their full potential.
